

2018 ROSÉ

OUR APPROACH

Our intent in making wine is simple: we tend older vineyards, pressing them into gentle use. We seek low-till and dry-farmed vineyards for their depth and low yield. We let native grasses grow because vitality and diversity in the vineyard translate to a distinct expression of terroir and produce wine with a light footprint. We work closely with the land and its stewards in an effort to craft exceptional and unique wines.

THE LAND

Our grapes are sourced from vineyards in the Yorkville Highlands Appellation. Large daily temperature swings and warm fall days allow for balanced acid, sugar and flavor profiles. Yorkville Highlands has Franciscan Melange, mixed with fertile river soils. These grapes are sourced from both valley bottom and ridge-top vineyards.

THE WINE

A vibrant pink-salmon hue, this wine opens with strawberry shortbread, melon and a layer of Bartlett Pear. Bramble, Earl Grey tea and Marionberry give way to a savory plum on the palate. A lively citrus finish leaves one wanting more...
Pair with salmon or other fish, poultry, dessert or enjoy alone on a warm afternoon.
